# Class of 1950

In the fall of "38", a group of bewildered children stood and gazed at the huge building before them. Miss Temple met us at the door and started us on our learning of "readin", "ritin", and "rithmetic".

The rest of our grade teachers added to our knowledge and prepared us for the remaining six years of school. Our grade teachers were Mrs. Norma Carey, second grade; Mrs. Helen Smith, third grade; Miss Jessie Driver, fourth grade; Mrs. Rema Mohr, fulth grade; and Miss Jessie Driver again as our sixth grade teacher.

The seventh grade proved to be a thrilling experience for all of us. Miss Fitch was our class sponsor.

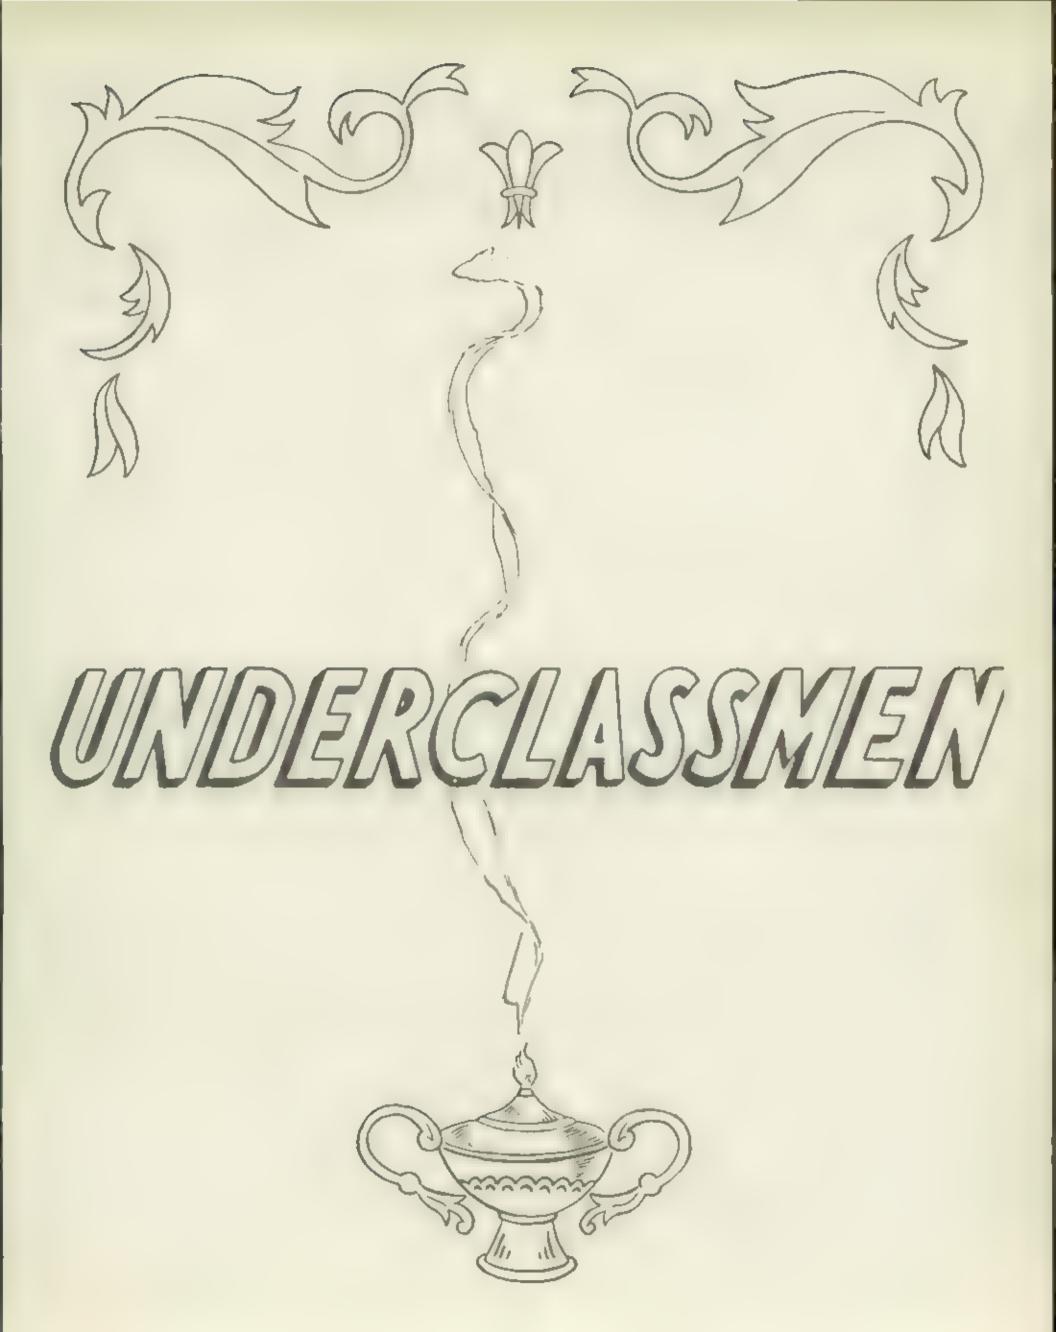

In the eighth grade, Mr. Edwards took us in hand. The eighth grade tests were the big event of the year, and several members of our class received high honors

The ninth grade was the year we all looked forward to, when we would go into high school. We were entertained by the Sophomores at an initiation party. After that, we felt that we were ready for anything. Mrs. Hofer was our class sponsor that year.

In the Sophomore year, our class sponsor was Mr. Sawmiller. We had an opportunity to initiate the Freshmen that year.

Mr. Alexander was our class sponsor for the Junior year. This year we started thinking of ways to make money for the prom and the Senior trip. Then we started planning the prom. We chose "Treasure Island" as our theme. We spent a great deal of time and work on it, and felt that it was a great success.

Then the big year finally arrived. We were still thinking of ways to make money for the class trip. Mr. Linn was our class sponsor, and Bob Schaadt, who had been class president for the other three years, was re-elected again. We are planning to go the Washington D. C. for our class trip. Now, as we are looking toward our Commencement and the close of our life at school, we think of the good times that we have had here at Convoy High, and of how we are going to miss it after we are out of school.

# Class History of 1951

In September, 1939, the doors of education were opened to the class of 1951. Our elementary years passed quickly with Mrs. Bernice Reidenbach, Mrs. Norma Carey, Mrs. Helen Smith, Mrs. W. O. Henceroth, Mrs. Rema Mohr, and Miss Jessie Driver as our teachers.

Upon entering the seventh grade our class had an enrollment of ten less than it had seven years before.

As Freshmen, it was only proper for us to suffer as had our predecessors by being initiated into high school. The Sophomores showed no mercy on us so we sought revenge the following year on a new class of "green-horns", the title we had proudly held the year before,

Our class is now composed of twenty-six ambitious Juniors. Mr. Alexander is our capable sponsor. We were the first Junior Class to present a play for several years. Although we were entirely inexperienced, the play, THREE BLIND DATES, was given quite successfully under the directorship of Mr. Jacobson.

We are now looking forward to our last year behind the doors of Convoy High 3, hool.

# Class History of 1952

Our education was started with a class of 42 pupils with Miss Dean as our teacher. Though we can't remember this day, no doubt we were excited and filled with wonder. Miss Dean was very kind and we soon knew what was happening.

So, we proceeded into the next grades with eagerness. We learned new subjects and experienced new adventures. We were kept busy by our teachers, Mrs. Norma Carey, Mrs. Helen Smith, Mrs. Mary Meyers, Mrs. Rema Mohr, and Miss Jessie Driver. They prepared us for high school and we appreciated them.

In the school year of 46 and 47, we entered Junior High. This was thrilling, but we had to work harder to keep up our grades. Our teachers were Mrs. Charlotte Stose, and Mr. Edwards. We had parties and many traveling adventures.

Then we entered high school. We were welcomed with an exciting initiation. We had other parties also. Mr. Smith was our sponsor.

Mr. Brown is our sponsor this year. We initiated the Freshmen in October. We have had no parties as yet. This is a great year for us and we are enjoying it. We are also looking forward to the next two years of high school.

# Class History of 1953

In our first year of school there were thirty-three pupils enrolled with Miss Catherine Dean as our teacher.

During the second and third grade, we learned the different fundamentals of school with Mrs. Norma Carey and Mrs. Helen Smith teaching us.

In the fourth grade, Mrs. Mary Meyers was our teacher. The fourth, fulth, and sixth grades gave an operetta entitled "Aunt Drusilla's Garden."

Our fifth and sixth grade teachers were Mrs. Rema Mohr and Miss Jessie Driver.

We entered Junior High with Mrs. Charlotte Stose as our sponsor. In the eighth grade, Mr. J. C. Edwards was our sponsor. In our State Tests, Ralph Schumm received first in the county with 189.

There are twenty-four entering the Freshman Class of whom seventeen are of the original class. Our sponsor this year is Mr. Dwight Smith. Our first party was when the Sophomores entertained us at initiation.

#### Last Will and Testament

We, the Senior Class of 1950, of Convoy High School, of the city of Convoy, the state of Ohio being of questionable sound mind and body, do hereby distribute our great talents and possessions to our underclassmates. May they profit by them. The following follows:

#### WE HEREBY WILL, DEVISE, AND BEQUEATH

To the faculty, a feeling of joy and peace and the satisfaction that we are just is stupid now as ever.

To the Juniors, our seats in study hall, the satisfaction of driving the teachers crazy, and our ability to make money.

To the Sophomores, our great talent of getting into trouble, and also our attitude grades (they can gladly have them.)

To the Freshmen, three more years of school life.

To the Seventh and Eighth Graies, the privilege of hunting for leftover gum in our desks, and the knowledge that the best years of their lives are yet to come.

We, as individuals of the Senior Class of 1950, will and bequeath our own personal possessions as follows:

- I, Mary Beatty, will my ability to have one boy friend to Wanda Book
- I, Carl Cooper, will my seat in study hall to whoever comes early enough to grab it.
- 1, Rowena Dellinger, will my ability to argue with Miss West to Sindra Leslie, may you win more arguments than I did.
  - I, Jean Eddy, will my well-known giggle to Donna McCleary.
- I, Dean Gleckler, will my ability to drive carefully and to turn corners on 4 wheels, to Dan Snyder.
  - I. Fritz: Hummel, will my ability to attract men to Mary Bell.
  - I, Margie Hummell, will my ability to get engaged and disengaged to Bobbie Gaskill.
- I, Pauline Kever, will my clever ways in securing the car anytime I wish, to Barbara Clay.
  - I, Martha Klinger, will my quiet manner and attitude to Shirley Frane.
  - I, Joyce Nelson, will my Home Economics ability to Eleanor Dominque.
  - I, Mary Northup, will my ability to operate the mimeograph machine to Leroy Hoaglin.
  - 1. Betty Pancake, will my cheerleading ability and also my love for it, to June Bell.

- I, Marilyn Ryan, will my ability to crack my gum to Miss West and my red hair to Rose Maire Scaer,
  - I, Fred Scaer, will my black wavy hair to Dan May, May you attract the girls as I did.
- I, Bob Schaadt, will my ability to get ones in Chemistry to my brother, Doyt, and my position as class president to anyone who wants to go "cuckoo".
- I, Eugene Schlemmer, will my athletic ability to Josie Myers and with much sorrow my basketball uniform to Wayne Small.
- I, Jack Sowers, will my habit of eating my lunch in 4th period study hall to Earl Black.
- I, Sue Sowers, will my freckles, which I have put up with the past 18 years, to Mary Pancake.
  - I, Margie Thompson, will my ability to never lose my temper to Beverly Hoaglin.
  - I, Don Weaver, will my love for Monroeville to Jim Hyitt.
  - I, Dorothy Webster, will my studious manner to Connie Mosel.
  - , Don Weck, will my boisterous manner and slapping ways to Eleanor Dominique.
  - I, Lois Wendel, will my fondness to simply talk and talk to Jake Owens.
- I, Robert Zephyr, will my height to Max Barkley, and my textbooks that have never, never been used to Art Bauer.

#### Class Prophecy

Today, while cleaning the attic, my little girl, Melody, came to me and asked about a box of pictures. Sure enough, they were school pictures. We sat down and looked at each one, I explained to her who each one was and jut how much fun we always had together.

There is Bob Schaadt, four-years our class president. An all-round good athlete. Now he is football coach at Ohio State University, and doing quite well, too,

Then, there : Loss Wendel, our vice-president. She is in Wren, operating the switch-board day in and day out. She comes to visit me quite often.

Then comes our class secretary and treasurer, none other than Rowena Dellinger Now married to a young man straight from the West. She lives in Phoenix, Arizona, on a ranch, if I remember correctly. She has two little boys. I see their names in the paper frequently for taking prizes in their 4. H work. Fine young boys they are.

Then, of cour e, there is Pauline Kever, now Mrs. Whitey Christensen. She is still in Convoy, and pretty as ever. She and her husband own the service station there. All of the work is done on roller skates. The last I heard, they were just "rolling in bisiness."

And Eugene schlemmer. My, but he has made a success of himself. Why, I remember in his Senior year when he went out for basketball, what a boy! Now, he is playing for the Pistons. The team has not been beaten for seven years. Some record!

Featured in the newspapers last week were the headlines, "Sue Sowers, Chosen Ideal Mother of the Year," She has four children who are adopted. Three of them are Chinese Her husband works for the government and was stationed in China for some time. They nake their home in Connecticut.

Joyce Nelson can still be found around Convoy She owns a Milinery Shop on Main Street. She does all of her own designing She sends hats to movie stars, the President's wife, and many other well-known women around the world.

Dorothy Webster is now a missionary in South Africa. She has been stationed there for six years. She enjoys her work very much.

Oh yes, Deante Gleckler. I see him very often. He is an Auto Daredevil. Of course, he always was, but who would have thought twelve years ago, that Dean would make it his life work?

Then comes the pest of the class, Jack Sowers. He is still in Convoy. He has taken over his Dad's business in the Home Store. Jack was always the clown of the class. Stury halls would have been very dull without him; but, on the other hand, the attitude grades would have been much higher!

Yes, there's Marilyn Rvan She is a fine young woman. She always aimed for success, and I would say she has found it. She is a fashion disigner in Hollywood, California. Many of her designs are featured in "Glamour" magazine.

Another success is Betty Pancake. Yes, she's married, and demonstrates Home Appliances. You see, her husband, and Carl Cooper own an Appliance Store in Cleveland, which is nationally known.

Yes, we mustn't forget Jean Eddy. She lives in Glenmore. Of course, she is now Mrs. Dudley Schmid. She is a fine housewife and mother. She has a little boy seven years old. He's just as mean as Jean always was.

Fred Scaer, oh yes, he is a pilot. Frequently flies in aerial races. His is known for his flying the world around. His sister is his hostess. He recently wrote a book on flying called, "Scares by Scaer."

Then, there must be the long and the short of everything. In our case, the short we will say is Don Weck. Don, always very talkative, has found just the job for himself. That's right, he's a salesman. A used car dealer. Of course, he always did have a pretty good line, so, when he starts out to make a sale, he always makes good:

For the tall we shall choose Bob Zephyr He was always head and shoulders over the rest of the class. He is living near Dixon with his parents. A successful farmer, thanks to Mr. Smith, who was his agriculture teacher at dear old Convoy High.

Naturally, from each class comes an inventor. And, who but Don Weaver could be the man. Yes, he is the man who discovered the cure for cancer. A marvelous accomplishment. He is praised very highly by all. In his laboratory working with him, we find none other than Fritzi Hummel. Yes, she is an inventor, too She invented a cure for fingernail biters, an other marvelous discovery.

The "Ideal Homemaker" of the year is Margie Thompson. She is married now, and lives in Minnesota Her husband owns a Dairy Farm. They have two boys and a girl.

Mary Northup is striking it rich in Oklahoma. She was digging for fish worms one day and struck oil. Now she is a multi-millionaire and has her fish imported from Albuquer-que.

Occasionally, I see Mary Beatty, now Mrs. Paul Buker, zooming around Convoy in her big limousine. Her husban indertaker and has had good digging lately.

Marple Hummell is living in Paulding. She and her hasband own a chain of hamburger shops. They are vacationing in Hawaii right now.

Last, but not least, is Martha Klinger. She is a doctor in Nova Scotia. She has built five hospitals there. The conditions have improved nearly one hundred per cent since Martha has been there. All of the people love her very much.

The last picture turned over, I find my little girl eagerly listening. It is no wonder because the history of the class of . 150 brings forth many interesting characters of today. It produced many successes and no failures.

Well, I see I have spent two hours with these pictures. It's time to get supper. I did want to get the attic cleaned --but then, there's always another day!

St. Peter: "How did you get here?"
Man: "Flu".

Mr Alexanier "Don, if you had one dollar and fifty cents and I gave you ten dollars more, what would you have?"

Don Weck: (with a bewildered look) "I think I'd have a fit."

To Mr. Knerr:

We always laught at teachers' jokes

No matter what they be

Not because they're funny jokes

But because it's policy.

Senior Democracy
